

DEPARTMENT 116/216 FRUIT

Due to computer program restrictions, the preprinted tags **will not** indicate named varieties. **The exhibitor must indicate the variety at the top of the front of the exhibitor tag.**

Exhibits will be judged on uniformity, quality, freedom from blemishes and cleanliness. All fruit must be grown, selected and arranged by exhibitor. Exhibitors are reminded there is only one entry per numeric class. Include a list of specimens in Class C, 1-4, in order to educate those enjoying the exhibit hall about the various species and varieties displayed.
