

## DEPARTMENT 118/218 CANNED GOODS

Canned goods will be judged for quality, appearance and pack. The jars in each exhibit shall be of the same size and type, and EACH ONE labeled (by contents, date, class number and exhibitor's number). All canned goods, including jams and jellies, shall be sealed by processing; boiling water bath for fruit and tomatoes, steam pressure for vegetables and meats. Rings must be removed prior to entry. **“Garden special” and spaghetti sauces are not to be exhibited.**

Shelburne Grange Fair uses the following definitions for jams, jellies, and preserves:

***Jam:*** Jams are made by cooking crushed or finely chopped fruits with sugar until the mixture will round up on a spoon.

***Jelly:*** Strained juice is used to make jelly.

***Preserves:*** Preserves are fruits preserved with sugar so that the fruit retains its shape, is clear and shiny, tender and plump.
