EXHIBITOR INFORMATION

1. Everyone is welcome to exhibit.
2. Exhibitor classes are as follows:
 - A. **CHILD** exhibitors are young people eight (8) years of age or younger, as of the day of the Fair. CHILD class exhibits are entered in Department 111 ONLY. Please designate age on each entry tag.
 - B. **YOUTH** exhibitors are young people sixteen (16) years of age or younger, as of the day of the Fair. YOUTH classes are the same as adults. YOUTH exhibits are entered in departments beginning with a “1—”. For example, a 10-year-old would enter baked goods in Department 119. Please designate age on each entry tag.
 - C. **ADULT** exhibitors may be of any age. ADULT exhibits are entered in departments beginning with a “2—”. For example, a 50-year-old would enter her baked goods in Department 219.
 - D. **ONCE AN EXHIBITOR’S AGE CLASSIFICATION HAS BEEN CHOSEN, ALL OF HIS/HER ENTRIES MUST BE IN THAT CLASSIFICATION.** For example, an 8-year-old may choose to enter carrots in the Child, Youth, or Adult classes. However, if the child enters the carrots in the Adult class, ALL OTHER exhibits entered by that child must also be entered in the Adult class.
3. **Exhibitors are strongly encouraged to pre-register** via email or mail by August 19, 2023 (see details on page 3). To enter exhibits and/or make any deletions from your entry form, exhibitors must report to the registration table in the Exhibit Hall. If exhibit lists are received by August 19th, exhibitors will have preprinted labels. After this date, exhibitors will need to write all information on their tags. Exhibitors are strongly encouraged to bring address labels to put on their tags instead of hand-writing them.
4. Exhibitors are responsible for assuring that information on the exhibit card obtained at check-in is correct and that the card is attached to the appropriate exhibit. Child and Youth exhibitors must make sure age is written on the card.

5. NO EXHIBITS MAY BE REMOVED FROM THE EXHIBIT TABLES BEFORE **4:00 PM** ON SATURDAY, AUGUST 26, 2023. If exhibits are removed before that time, prizes and premiums shall be forfeited.
6. Exhibits which have not been picked up by **4:30 PM**, Saturday, August 26, will be offered for sale at the auction, to help defray Fair expenses (unless previous arrangements have been made).
7. Special awards may be given, based on the advice of the Judges, to exhibits deserving of special recognition. The special Massachusetts Department of Agricultural Resources, Massachusetts State Grange and Shelburne Grange “Judges Special Award” ribbons will be designated with special rosette ribbons; no additional prize money is given for these awards.

Add/Delete of Exhibits at Registration

Exhibitors must *register* their exhibits either ahead of time or in person up until **noon on Friday, August 25**.

Exhibits may be *added* to an exhibitors list up until **noon on Friday, August 25**. This is to facilitate the data entry and preparation for judging.

Exhibits may be *deleted* up until **5:45 pm on Friday August 25**. If you are deleting an exhibit, **you must put one single line through the item on the registration form**, then bring the form and any remaining tags you have to the registration table.

**ALL REGISTRATION FORMS AND REMAINING TICKETS
MUST BE RETURNED TO THE REGISTRATION TABLE.**

JUDGING OF EXHIBITS

1. The Fair Committee and its Judges reserve the right to disqualify any exhibits which they feel are not appropriate.
2. New classes may be added and judged provided that there are three (3) or more entries of like exhibits in a class.
3. More than one similar prize (i.e., 2 first prizes), or no prize, may be awarded in any particular category, at the discretion of the judges.
4. Judging will take place Friday evening, August 25. Judging will be as follows:
 - A. **Children's Exhibits** in Department 111 will be judged on the Danish system, where each entry receives a ribbon and prize money based on a standard of excellence. Children do not compete against other exhibitors.
 - B. **Youth Exhibits** will be judged by a modified group award system: First, exhibits will be judged individually based on a standard of excellence and receive "Excellent", "Very Good", or "Good" Ribbons. Then the entries will be judged against each other for "First", "Second" and "Third" Place Ribbons and prize money. The Fair Committee feels this system is more educational for the youth exhibitors and bridges the gap between child and adult classes.
 - C. **Adult Exhibits** will receive one set of prizes per numeric class. All entries compete against each other for First, Second and Third place ribbons and prize money.
5. Premium money will be awarded on the basis of the placing **MARKED BY THE JUDGE** on the exhibit card (1st, 2nd, 3rd, 0), not based on the ribbon; ribbons may get moved or misplaced inadvertently.

6. Ribbons and premium money will be distributed as follows:
 - A. Ribbons will be placed on all exhibits as awarded and marked by the judges.
 - B. Checks for all premium money will be available when exhibits are picked up on Saturday, August 26, at 4:00. Premiums not called for at that time will be forwarded to the address that the exhibitor provided on his/her entry form, within 30 days. **Exhibitors must report to the Fair Committee any discrepancies in the prizes or premiums within 15 days of receipt** for a correction to be properly made. Exhibitors need to leave their entry tag(s) in question for review by the Fair Committee. Checks not cashed within 120 days of the Fair will be voided.
 - C. **One “Judges Special Award” ribbon** per department may be awarded, at the discretion of the Judges. No additional prize money is awarded for these ribbons.
 - D. From the “Judges Special Award” exhibits and Special/Family exhibits, **two (2) Massachusetts State Grange rosettes and two (2) Massachusetts Department of Agricultural Resources rosettes** (if available) may be awarded. State agricultural rosettes are given for agricultural exhibits only. No additional prize money is awarded for these ribbons.

9. Exhibitors are responsible for assuring that special information shows on the front of the exhibitor tag, not just on entry form.
